Inclusion and diversity

Wayi School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Our school provides highly individualised programs of learning for students with an intellectual disability. We welcome students from 5 to 18 years of age.

School participation maximises life opportunities for children and young people by providing them with a comprehensive learning program and access to support networks. It also helps to develop important skills, knowledge and values that set them up for further learning and active participation within their local community.

Wayi School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Wayi School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Wayi School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Wayi School will:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (e.g. school sports, concerts) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Wayi School uses the School-Wide Positive Behaviour Support framework as a foundation for all learning and implements specific programs to promote an understanding of students' rights and responsibilities, including the 'Resilience, Rights and Respectful Relationships' and 'Bully Stoppers' program. School staff may employ restorative practices to assist students to understand the impact of their behaviour on others and find a way to rebuild damaged relationships.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Wayi School. We will take appropriate measures, consistent with our Student Wellbeing and Engagement

and Bullying Prevention policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Wayi School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students at Wayi School in consultation with the student, their parents/carers, their teachers and if appropriate, their treating practitioners. Wayi School utilises Student Support Group processes, Individual Education Plans, and Behaviour Support Plans as needed to detail specific interventions and supports for individual students. For more information, please refer to the Student Wellbeing and Engagement Policy or contact the classroom teacher.
