

SCHOOL REVIEW INVITATION TO PARTICIPATE IN A PARENT/CARER FORUM

Dear Parents and Carers,

The school is currently engaging with Monash University and Department of Education to celebrate our achievements and evaluate the goals of our Annual Implementation Plan. To continue our progress to improve student outcomes, we require a collective focus of specific goals for whole school improvement and set strategic actions within our School Strategic Plan (SSP) 2024-2027.

Feedback and opinions from our parents/carers are extremely important to the development of our SSP, therefore I would like to invite you to join the forum facilitated by our School Reviewer, Marie Hayes.

This will be a relaxed and positive atmosphere. We want to hear from all parents/carers. If English is not your first language, we can provide an interpreter to assist with communication.

The Parent/Carers Forum will be held on **Tuesday 6th of August at 9am** in the school Administration Building; morning tea will be provided.

If you are interested and can attend, please use the link below. Please RSVP by Tuesday the 30th of July.

Principal | Wayi School

To empower and inspire every member of our learning community.

'Wayi' is a Woi-wurrung word of the Wurundjeri people meaning 'us'.

We work together, in partnership, supporting our students as a team. We know that our students benefit from the efforts, expertise, and commitment from all of 'US' – inclusive of family, educators, and community.
